The same containing 1.741 acres, more or less. The above description is taken from a survey by Daniel W. Donathan, Registered Engineer, dated August 31, 1977 and captioned "Property of Ronnie L. Huffman and wife, Cathy T. Huffman."

Subject to a non-exclusive easement over a 30 foot strip of property on the easternmost portion of the above described property for the purposes of ingress and egress to the property surrounding the herein described property.

There is conveyed herewith a non-exclusive permanent easement 60 feet in width for ingress, egress, regress and utility purposes, over, across and through the property of the parties of the first part, said easement having as its southernmost terminus the north line of the above described property and having as its northernmost terminus the south end of the state maintained portion of North Carolina Secondary Road 2413; the center line of said easement being more particularly described as follows: Beginning at a point, the northeast corner of the hereinabove described property, thence, running North 6° 35' 30" East 130 feet to a point, the northeast corner of that property intended to be conveyed in Book 1171 at page 979 of the Forsyth County Registry, said point being in the center line of the southernmost terminus of North Carolina Secondary Road 2413.

The Grantors herein do intend to convey, and do hereby convey, a 60 foot easement for the purposes as set forth hereinabove from the north line of the 1.741 acre tract herein conveyed to the nearest terminus of the state maintained portion of State Road 2413, whether said latter point is as described in the easement description hereinabove or not.

Furthermore, the Grantees by the acceptance of this conveyance hereby agree to execute such right of ways and conveyances to the North Carolina Department of Transportation in the future that are necessary for the extension of Secondary Road 2413 over said 30 feet in the easternmost portion of this property extending from the northern point to the southern point as contained in the description of the above described property.

EXHIBIT B
