NORTH CAROLINA

12

MODIFICATION OF RESTRICTIONS

FORSYTH COUNTY

AND BUILDING SET-BACK LINE

THIS AGREEMENT made and entered into this the 23th day of December, 1972, by and between L & H LAND COMPANY, a partner-ship of Winston-Salem, Forsyth County, North Carolina, party of the first part, and K. K. GRUBBS, trading as K. K. GRUBBS CONSTRUCTION COMPANY, a sole proprietorship, party of the second part, of Winston-Salem, Forsyth County, North Carolina.

WITNESSETH:

THAT WHEREAS, the party of the first part, were the owners and developers of CARROLL ESTATES, a plat of which is recorded in Plat Book 24, Page 102 in the Forsyth County Registry; and

WHEREAS, the party of the first part has caused to be placed upon the recorded plat certain restrictions and set-back lines as shown upon said plat, and as shown in the restrictions recorded in Deed Book 1014, Page 366; and by Paragraph 7 of said restrictions, the party of the first part reserves the right to remove, modify or change the restrictions and building set-back lines; and

WHEREAS, the party of the second part is the owner of Lot Number 1, as shown upon said plat, that the recorded plat requires a minimum set-back line of 40 feet and the referenced restrictions impose a 50 foot building line; and

WHEREAS, the party of the second part has constructed a house upon Lot Number 1 with the main body of the structure being located 44.4 feet from the right of way line of Poplar Ridge Drive; and

WHEREAS, the party of the first part has agreed to modify the minimum building set-back line applicable to Lot Number 1 of CARROLL ESTATES by reducing the same from 50 feet to 44.4 feet.

NOW THEREFORE, the said party of the first part, for and in consideration of the sum of ONE BOLLAR (\$1.00) to them in hand paid, the receipt of which is hereby acknowledged, do hereby release and discharge Lot Number 1 and all owners thereof, both present and future, from that restriction appearing of record in Plat Book 24, Page 102 and Deed Book 1014, Page 366, which provides for a minimum set-back line from the front property line of 40 and 50 feet respectfully, and modify the same by establishing in lieu thereof a minimum front set-back line of 44.4 feet and by allowing the house constructed thereon to remain as it is so that no part of said house is in violation of the building set-back lines as stated in the referenced instruments. It being, however, understood and agreed that each and all the said restrictions, except the ones herein quoted, released and modified, shall be and remain in full force and effect.
